

Bunny Roo, I Love You

A warm and tender welcome to the world! In a gorgeous picture book that's playfully sweet and visually captivating, New York Times bestselling author Melissa Marr and talented new illustrator Teagan White celebrate the many ways parents make their new babies feel at home. The world can seem like a big, bewildering place for new babies; fortunately, their mamas know just how to soothe and comfort them. Through enchanting scenes portraying all kinds of mama animals looking out for their little ones, the mother in this story reassures her baby, and young children everywhere, that their caretakers will always love them and keep them safe. This beautiful picture book has the feel of a classic and its heartwarming premise should make it a family favorite. A lovely package. Kirkus Reviews Vintage-looking, pastoral prettiness.
