

Dinosaurs: Amazing Pictures & Fun Facts on Animals in Nature (Our Amazing World Series Book 8)

Bestselling childrens author Kay de Silva presents Dinosaurs. The book uses captivating illustrations and carefully chosen words to teach children about The Great Lizards. This series is known as one of the most beautiful on the kindle. The pictures look great even in black and white and are excellent on the full color kindle. The description in the large text beneath is simple enough for early readers or for a parent to guide a child through. There are also picture captions that provide more information to talk about with your child. Alternatively, a child of any age (even the child in you) can just look at the images and appreciate their beauty. This book depicts the wonder of the world of Dinosaurs in all its glory. Children are given a well-rounded understanding of this fascinating creature: its anatomy, feeding habits and behavior. The following dinosaurs and pre-historic creatures are featured: * The fierce Allosaurus* The gentle Brachiosaurus * The deadly Deinonychus* The awesome Diplodocus * The strange Elasmosaurus * The spiky Kentrosaurus * The tiny Peteinosaurus* The huge Plateosaurus* The flying Pteranodon * The slow Stegosaurus* The powerful Tylosaurus* The awesome Tyrannosaurus *** Your child will love it - this is guaranteed.***
