

Judy Moody Predicts the Future

With the help of a mood ring, a Magic 8 Ball, and some old-fashioned intuition, Judy Moody is convinced that she can foretell the future in a new episode that's funnier than ever. Judy Moody ate one, two, three bowls of cereal. No prize. She poured four, five, six bowls of cereal. Nothing. Seven. Out fell the Mystery Prize. . . Judy definitely has a mood for every occasion. And now she has a mood ring to prove it! The mood rings Extra Special Powers have put Judy in a predicting mood, and her outrageous predictions have everyone wondering if Judy really is psychic. According to Madame M (for Moody), the Toad Pee Clubs long-lost mascot will reappear, Judy will earn the coveted Thomas Jefferson tricorne-hat sticker for Great Job, Good Thinking and love may be the real reason behind her teacher's new eyeglasses. Will Judy's latest adventures put kids in a very Judy Moody mood? (Signs point to yes!)
