

BeTween: A Preteen Girls Guide to Life

An insightful book for preteen girls that looks and reads like an irresistibly fun magazine, BeTween offers a wealth of wisdom to a booming and most impressionable audience. Through colorful articles, quizzes, games, and lists, girls age eight to twelve are encouraged to grow spiritually and socially in every major area of life. Still, most admirably, the book encourages girls to enjoy being their age rather than succumbing to modern cultures temptations to grow up too fast. Best-selling author Vicki Courtney speaks to girls and women of all ages, and her sold-out conference events for tween girls and their moms are testament to the imminent success that awaits BeTween.
