

Whatever it Takes: The Cost of Being a Family

Surrounded by the love of her family on 70 acres of heaven in rural Tennessee, Liz felt her cup overflowed. But when her father-in-law dies, her mother-in-law takes the Allen family up on their offer to share their home with her. Lifestyles and world views clash dramatically when Blanche moves from her spotless condo in Palm Beach to the Allens working farm filled with animals, muddy pastures, and more children than Blanche has ever seen in one place. Liz desperately prays for peace and harmony as they all get settled, and vows to do whatever it takes... But did she realize just how great a sacrifice it would be?
