

The Family Adventures of Princess Ladybug and Princess Ladybird Papas Farm: Papas Farm (The Family Adventure of Princess Ladybug and Princess Ladybird Book 2)

Princess Ladybug and Princess Ladybird are back with another exciting adventure. Like many siblings today, these two sisters don't see one another on a daily basis. For them, spending time together is an adventure. The Adventures of Princess Ladybug and Princess Ladybird Papas Farm takes place on, you guessed it, Papas Farm. In this adventurous story you'll meet the family patriarch, Papa, and laugh at his beloved rooster. During this adventure a mystery unfolds. No one can find Pickle, the goat. In the meantime, hay goes everywhere and there are lots of hugs and kisses to go around. No one has ever had more fun with hay or feeding the chickens than these two princesses. Adventure, like hay, is in the air. The Family Adventures of Princess Ladybug and Princess Ladybird Papas Farm is a great multigenerational book you'll enjoy reading with your kids or your grandchildren. This book gives you more surprises, more fun and more chuckles. Make sure you read all the way to the end of the book, (you really won't want to put it down anyway). You'll be glad you did. And be sure to check out the new cool facts about real ladybugs on the back cover. Come meet the family, and laugh out loud! Adventure: An exciting experience
