

The Baby Bridesmaid (Bridesmaids)

A mini-series of four titles aimed at 6-8 year old girls on the theme of bridesmaids—a role that every little girl longs to play! THE BABY BRIDESMAID. Ella's bridesmaids role is usurped by her baby sister Gemma who dresses up and steals the show at her aunties West Indian wedding in Notting Hill. When the photographs are to be taken, no-one can find Ella's baby sister. Then the floats start to parade and who should be the fairy queen—Ella's sister of course, in starring role!
