

## Third Grade Social Science: For Homeschool or Extra Practice

Over 50 discussion questions and activities, and 50 quiz questions, fill this comprehensive social science book. The book covers the following topics: American Discovery and Economy, Geography, Native Americans, Resources, and Government and its Citizens. If you are homeschooling (or if you are just trying to get extra practice for your child), then you already know that social science workbooks and curriculum can be expensive. Homeschool Brew is trying to change that! We have teamed with teachers and parents to create books for prices parents can afford. We believe education shouldn't be expensive.
