

## ALMOST MIDNIGHT: A Ghost Story

Christopher Draper is a gifted fifteen-year-old who lives in a small desert town. One night, near midnight on Halloween, he witnesses a fantastic apparition: the murder of a young woman and the suicide of her murderer. The experience will change Chris's life in ways that he cannot imagine, for thereafter he finds himself haunted by the dead girl, a ghost who demands that he help her break the endless repetitions of her murder. As the story unfolds Chris begins to fall in love with the spirit of a girl who has been dead for more than a century.
