

Timmys New Friend

The hero of Timid Timmy returns in a new adventure that once again speaks to common childhood concerns. Timmy and his friend Rocket are having a great time playing with Timmy's new ball. When a burly bear cub asks to join their game, Timmy is at first reluctant. Who ever heard of a hare being friends with a bear? But Bruno proves to be a fine playmate-- if a bit overwhelming at times. A frightening run-in with a hungry fox and a timely rescue by brave Bruno help Timmy realize that accidents can happen and a brave (and strong) bear makes a fine friend indeed.
