

The Curse of Can-Balam (The Danny Lansing Adventures)

A lost city, legendary treasure and a brutal curse all sit at the centre of a tangle of lies. When Angus, an archaeologist friend, disappears into the Central American rainforest, Danny & Angus head to Belize to investigate. In the dark heart of the jungle, Danny must find new reserves of cunning if he is to outwit the calculating insanity of an enemy more dangerous than the wildlife. One thing is certain: someone is going to suffer the Curse of Can-Balam! Adrenaline at your fingertips!
