

Tennille and The Tale of Princess Penelope: An empowering story about believing in your individuality, and yourself! Perfect for Girls Age 3 - 10.

Tennille is a creative and exuberant child with a very big problem! She loves designing her own clothes with bold, colorful and funky fabrics but some not very nice kids at school like to tease her about her talents. Tennille decides she has the perfect solution! Will Tennille abandon the things she loves just to be accepted by the other kids at school? This heart-warming book follows Tennille on her journey of strengthening her self-esteem and her belief in herself, all while encouraging readers to follow their dreams. Perfect for children age 4 - 10! Tennille and The Tale of Princess Penelope teaches children to accept who they are and dares them to be unique. This book would be a great resource for teaching acceptance, getting along with others, and celebrating a child's uniqueness. -Kristen Bourn, KG2 and Kindergarten teacher
