

Life Commands According to Ten Wise Women

Scrape your plate of all that isn't working. We've been taught to clean our plate, so we've swallowed the pain while struggling in situations and relationships and then think that's normal. You've struggled because of who you believed. Ten women in your life have held a powerful position of influence either for the positive or the negative that internally directs your path in life. If you're exhausted in seeking to know the truth and be free in your life circumstances and relationships, stop struggling. This book will help you identify your ten influential women which will empower your choices and change your life. Transformational author Patsy Levad presents a new and fresh awareness for anyone that wants to stop hoarding fear and launch their true self.
