

The First Secret: a magic recipe

A story about moments of serenity in life, when everybody's hard work pays off and all wishes come true. As we all know, mothers are experts at yelling. The whole house gets jumpy. That day though, everything was quiet. We put the cake in the oven and went outside to sit on the front steps to welcome the balmy evening that was just arriving. The dogs and cats ambled over lazily and lay down close by. We felt very happy, calm and full of love... A magic recipe with beautiful illustrations, *The First Secret*, is whispered by little sisters Katerina and Ios, with the aid of a wise owl and an old tortoise.
