

Your Flying Car Awaits: Robot Butlers, Lunar Vacations, and Other Dead-Wrong Predictions of the Twentieth Century

A delightful mixture of science fiction, utopian vision, and just plain crazy ideas, *Your Flying Car Awaits* is a hilarious and insightful compendium of the most outrageous and completely ridiculous predictions of the 20th Century. Award-winning journalist Paul Milo's collection of *Robot Butlers, Lunar Vacations, and Other Dead-Wrong Predictions of the Twentieth Century* is true history on the lighter side, a must for fans of Ken Davis and his bestselling *Don't Know Much About* series as well as the popular *Darwin Awards* books. For an unforgettable journey back through the misguided scientific mindset of the previous century, climb aboard *Your Flying Car Awaits*!
