

## The Wooden Skull (Dark Hunter 12)

A twelve-book series of supernatural horror scares that will hook even the most reluctant readers. The Dark Hunter Mr Blood and his young assistants Edgar and Mary take on a series of terrifying mysteries, dealing with ghosts, vampires, werewolves and even weirder threats. In this tale the Dark Hunter and Edgar must save Mary before she is killed by her doppelganger. Highly readable, exciting books that take the struggle out of reading, Dark Hunter encourages and supports reading practice by providing gripping, age-appropriate stories for struggling and reluctant readers or those with English as an additional language aged 11+, at a manageable length (64 pages) and reading level (7+). This series can be read in any order. Produced in association with reading experts at CatchUp, a charity which aims to address underachievement caused by literacy and numeracy difficulties.
