

Lauras Rhymes

Laura's Rhymes provides a wonderful selection of traditional nursery rhymes and is a great resource for early years settings and for parents to use at home with their children. These rhymes positively promote children's communication and language development. Children's communication and language is a key skill for life and helps children to interact positively with others in a range of situations, thus giving children confidence and a love of words from an early age. Happy singing! Wow, what an amazing collection of nursery rhymes! So many to choose from and to share with children. I will definitely be using these songs within my bespoke sessions with children. As a celebrity entertainer, entertaining the children of David and Victoria Beckham, Amanda Holden and Mark Owen. These rhymes, will support children with their language skills and add an element of fun. --Amanda Frolich, Founder, Amandas Action Club

At Bristol Childcare we agree with Laura's introduction that songs and rhymes are a really important part of childhood and create rich memories to look back on. It saddens me that many traditional songs are lost to today's children as their parents don't know them. That is why it's fantastic that Laura has created this wide-ranging collection of traditional and more modern songs and rhymes. I've been reminded of many from my childhood and now can't wait to sing them again. --Saffia Bullock, Owner, Bristol Childcare

About the Author: Laura Henry is a childcare specialist who has spent most of her working life either working directly with children or supporting others who work with children. She currently delivers bespoke training sessions and unique consultancy support. Laura is passionate about children and their families, writing extensively for Early Years journals, and is often called upon to share her specialist knowledge on Early Years issues.

internationally. She is also the mother of two teenage sons. Please feel free to contact her: laura@childcareconsult.co.uk
