

Puppy Days (Abby the Labby) (Volume 2)

Hi Again! Abby has a forever home now, but it comes with all kinds of new experiences and challenges. It's wonderful and exciting, but also scary. She has to sleep without all her brothers and sisters, and get along with a grumpy kitty cat. She has to learn to walk on a leash, and maybe even get a shot. The Abby the Labby series aims to teach children about different dog breeds, and the responsibilities of pet ownership--as well as basic problem-solving skills--as Abby goes on her adventures. In *Puppy Days*, Abby learns how to navigate her new home, and children learn what it's like to have a brand new puppy and all the responsibilities that come with it.
