

## In the Shed (Reading Corner Phonics)

Jack is looking at the mess in the shed. He finds an old jacket and looks in the pocket. Can his nan tell him about what he finds? Controlled vocabulary is expanded through each level as the texts get longer, from simple CVC words with short vowel sounds to trisyllabic and tricky words. Compiled in consultation with literacy experts: Dr. Barrie Wade and Dr. Hilary Minns. A simple puzzle encourages children to spot the rhyming words.
