

## Standard Lighting: With Incandescent Electric Lamps (Classic Reprint)

Excerpt from Standard Lighting: With Incandescent Electric Lamps  
Standard Lighting: With Incandescent Electric Lamps was written by H. C. Cushing in 1922. This is a 271 page book, containing 69596 words and 170 pictures. Search Inside is enabled for this title. About the Publisher  
Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com)  
This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
