

Picture It Yourself: Little Red Birds Bright Idea and Seven Other Stories

LET YOUR IMAGINATION RUN WILD As you read or listen to these stories, you are invited: to SEE how Red Bird solves the problem; to HUG Mrs. Berrybush for all her trouble; to PEEK into Buffys secret life; to FEEL with Nickys frustrations; to JOIN in Jimmy and Harrys discoveries; to SHARE Charlies fears; to CHEER Haylees success; and to WATCH Terrible Towns citizens change. Since there are no illustrations, you are encouraged to PICTURE the stories using your own imagination. You can also draw those images on the blank pages provided after each story if you like. Or, just store the images in your memory. That way you can see them anytime you remember the story. Each time you read the story, you can make up different pictures. Being your own illustrator is fun; kind of like magic! Enjoy the characters and picture the scenes.
