

## The Cloud Horse: Short Fiction for Kids

Welcome to this collection of three unforgettable and uplifting short stories for children. Boys and girls of all ages who love horses and adventure will adore the title story, *The Cloud Horse*, an exhilarating yarn about a kid who is whisked away on the back of a flying horse! Based on *The Boy Who Rode into the Sunset*, a short story classic by C. J. Dennis, this version contains valuable additions by Strawberry Shakespeare, including a division into colorfully titled chapters and a section on the life and times of author C.J. Dennis, which render this magical fable more meaningful and enjoyable than ever. We are also delighted to bring you *White Fire* and *The Appaloosa Colt*, two extraordinary short stories by bestselling childrens author Strawberry Shakespeare. Readers of all ages will be enchanted by her mystical and inspiring tales. For your added enjoyment, we have also included a humorous bonus selection from Strawberry Shakespeares popular, horse-themed childrens novel, *Saving Bluestone Belle*. At Diamond Star Press we are committed to bringing you the best in childrens fiction. We care about your childs interest in reading and are dedicated to encouraging children to read more books. We also believe that books can bring parents and kids together. To that end, we aim to publish stories that are suitable for the whole family, stories that parents and teachers alike will love to read aloud to the children in their lives.
