

Lucy Cat in Town/La Gatita Lucia En La Ciudad (English and Spanish Edition)

Lucy Cat saves the day in town, in English and in Spanish. These colorful bilingual comic strips are the perfect way to enjoy reading in a foreign language. The same strip is run twice on the page, the foreign language above, and the English below. The simple text in speech bubbles, the humorous illustrations, and the motivating stories all make learning fun. At the back of the book is an illustrated page of key words in both languages.
