

## Jellyfish Shoes (Dingles Leveled Readers - Fiction Chapter Books and Classics)

This work offers a further 18 Treetops titles in Oxford Reading Trees series of fiction with built-in progression for pupils aged 7 to 11. Specially written for children who need the support of carefully monitored language levels, the stories are accessible, motivating, and humorous. The series is organized into Oxford Reading Tree Stages (from Stage 10 to Stage 14), with each stage introducing more complex narrative forms, including flashbacks and changes in viewpoint; descriptive writing; extended reading vocabulary; and more pages, more text, and fewer illustrations. Each stage is supported by the Teachers Guide, which offers guidance on using Treetops to assess childrens reading ability, and includes a variety of activities, many on photocopiable sheets.
