

## The Whoosh of Gadoosh

The air sizzles with excitement when kids catch sight of Gadoosh and her wild purple hair. As her floppy inside-out shoes leave the ground, the whooshing caper begins and magic buttons fly everywhere. Although it's a mystery where Gadoosh comes from, best friends Jaimy and Jake think they know exactly what she needs. Follow along as they lead their classmates and perplexed teacher on a topsy-turvy hullabaloo of an adventure to find a home for Gadoosh. Wacky as Dr. Seuss and reminiscent of Mary Poppins, this enchanting tale whisks us into a world of love and laughter. The delightfully dazzling illustrations perfectly capture the whimsical yet powerful message of Gadoosh.
