

The Pharaohs Secret

Filled with intrigue, surprises, and the authors original illustrations, this novel skillfully weaves history with a personal story full of heartache and family tensions that will entice and enthrall readers. When Talibah and her younger brother, Adom, accompany their father to Egypt, they become involved in a mystery surrounding an ancient, lost pharaoha rare queen ruler. Someone has tried to make it appear as if she never existed! The queen needs Talibah to help her and her high priest, Senenmut, reclaim their rightful place in history. Exotic locales, mysterious strangers, and a sinister archaeologist round out an adventure that is full of riddles, old tales, and, most surprisingly of all, a link to Talibahs and Adoms mother, who died mysteriously.
