

Speckles The Cat and The Magical Blarney Fish

Speckles The Cat and The Magical Blarney Fish is a charming story for children of all ages, and a touching reminder of the wonders of using ones imagination. Speckles, a very quiet and curious kitty, receives a green plush fish from his human.

The Blarney Fish seems like an ordinary cat toy at first, until it starts talking and brings Speckles to an enchanting dreamland, just for cats. Together, this adorable cat and fish have an adventure worth meowing home about! Proceeds from the sale of this book will benefit the Winn Feline Foundation. The Winn Feline Foundation enhances the relationship between cats and humans by fostering improvements in feline health through research and education.
