

Mute But Now I Speak

Barbara Jean Wilson was born and raised in Flushing, New York and remains a die-hard New York sport fan. In addition to writing her first book, Barbara also loves to cook and entertain family and friends at the home she was blessed to receive from God and relaxing on Sunday afternoon reading the newspaper and books by various authors. Barbara loves to travel and had an opportunity to fulfill one of her biggest dreams. Her daughter Tawannas surprise gift to Barbara upon receiving her BBA was a Mediterranean Cruise to Spain, France, and Italy in November 2008. Barbara is always praising and giving thanks to God from where He has brought her and keeping His hands of protections over her life and her daughters life. Whenever Barbara thinks she cant do something or fear creeps in, she is reminded to look back over her life and see where God has brought her from and what He has brought her through. At that point, her faith just takes over and her spirit is renewed.
