

The Book of Bitches: How to Identify and Defuse The Bitches in Your Life

Are you setting out a welcome mat for people who thrive on belittling you? Its time to stop letting the bitches win and start taking charge of your own life! In her must-read guide to overcoming bullies, bitch expert Erika Lisa Valdez shares her hard-won knowledge about how to identify and defuse the bitches in your life so you can confidently chase after your dreams. With a liberal helping of humor, The Book of Bitches exposes those who threaten your success and happiness, identifies their tricks and tactics, and emboldens you to show those bitches whos really in charge of your life. It also reveals that everyone has a well-meaning inner bitch who, if acknowledged and befriended, can serve you well when facing off with an uber-bitch who wont back down. But dont worryoure still one of the good gals. An entertaining look at human nature, this beauty queens candid, comical book provides young girls and grown women alike with the clarity and confidence needed to conquer the bitches mucking up their lives...all by using the surprisingly powerful weapons of patience, compassion, and empathy. Are you ready to stand up and be counted?
