

SilverFin: The Graphic Novel (James Bond Adventure, A)

Since 2005, readers have traveled the world with a young man whose inquisitive mind, determination, and thirst for adventure would set him on a course for greatness. Now, see Young Bond in action for the very first time. There's something slithering in the dark waters around a Scottish castle. Something that must be kept secret. Something deadly. One man with a thirst for power will use it, whatever the cost. One boy stands in the way. His name is Bond. James Bond.
