

Cotton Spinning and Weaving: A Practical and Theoretical Treatise (Classic Reprint)

Excerpt from Cotton Spinning and Weaving: A Practical and Theoretical Treatise In compiling this Work the Authors endeavour has been to put before the student in as simple, practical and interesting a form as possible an epitome of the art of Cotton Spinning, coupled with a few hints and remarks which it is hoped may be useful to those aspiring to the important and responsible position of managing the various branches of this great industry. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
