

## A Teens Guide to Women

Being a teenager. It should be one of the best times of your life. Socializing, dating, friends and relationships are a big part of that. As a kid you looked forward to it but now it's coming at you fast. If you're reading this then you're looking for help, advice, some guidance call it a mentor to help you navigate the tricky waters of teen dating. You're asking if this is the book you're looking for? The truth is, this is the one book every teenage boy should be reading. A Teens Guide to Women is far more than How to pick up girls. It's a book with 275 pages and over 125 images to enhance your reading experience. This book is about understanding women. It's about who you are, who women are and how to make it all work at every step from meeting through relationships. Most importantly the book is not just theory or generalities. It's filled with practical and specific advice you'll put into practice every day no matter where you are or what you're doing. See many of the book's images at: [ateensguidetowomen.wordpress.com](http://ateensguidetowomen.wordpress.com) The book is filled with wisdom and advice but it's written in a style you'll enjoy reading because it's also a story about 2 guys navigating the world of dating and relationships. It's a story you can relate to. You'll probably recognize yourself, the settings and the things you do every day. Read an excerpt from the book at: [ateensguidetowomen.wordpress.com](http://ateensguidetowomen.wordpress.com) The best entertainment and the best way to learn is by a story well told. A Teens Guide to Women has countless stories within a story as past experiences, good and bad, are recalled to illustrate the lessons one must learn in order to be successful with women. And here are some of those lessons Meeting women gets way over-complicated. The truth is it's simple, honest and risk free when done right. Dating should not be stressful and it isn't when you clearly understand a woman's

expectations for a date. Learn this and women will enjoy going out with you. The chapter on sex isn't what you think it'll be. Yes, it's all about sex but in a way you've never heard explained before and these are things you simply must understand if you ever hope to have a great sex life. There are clues, red flags, and little indicators which women give off. They will tell you who a woman really is but most men aren't paying attention. Is this the girl of your dreams or a nightmare ready to happen? Ignore these lessons at your own peril. With whom you chose to be in a relationship is the most important decision you'll ever make. Learn more of what's in the book at: [ateensguidetowomen.wordpress.com](http://ateensguidetowomen.wordpress.com) Do a web search on success with women and you'll find more books than you could possibly read. There's how to pick up girls. There's how to be successful with women. There's even how to have sex with any woman you want. Those books are filled with tips like what line to use in a singles bar or how to make eye contact or how to fake confidence. A Teens Guide to Women is not a book of gimmicks or psycho-babble. You'll learn to understand women. Are you tired of being confused? Are women saying one thing and doing another? Are you tired of being unappreciated? Then find out what it's like to feel confident and relaxed with women. You won't find a better book on this topic. If you've read this far then you're a man who wants to be successful with women. It's time to be proactive. For the cost of a few cups of coffee you'll have the book on your laptop or tablet and be reading it at school during breaks, of course. What you'll learn in A Teens Guide to Women will serve you the rest of your life.
