

For The Love Of Birds

Come along and have some fun as you discover the uniqueness of each bird depicted in this little book. See the similarity and even the differences in the character of each bird. Lets discover what they can do, what they eat, where they live and at the end you will also discover that, you can have a lot of fun with the birds. This little book helps you to accept that, every creation on planet earth is special and amazing in their own way.
