

## The Monsterjunkies, An American family Odyssey, Sanctuary, Book two (Volume 2)

A year has passed since the Monsterjunkie family has opened up their mysterious, macabre estate to a few trusted souls. But Crow and his sister Indigo face new challenges, including random acts of cruelty and harassment, a secret trauma that haunts Crow, and a shocking crisis with a close friend as they seek sanctuary in the most unexpected and unusual places. The Monsterjunkies continue their ancestral legacy in the world of cryptozoology, and delight in their quirky, mystical, and charming traditions. But can this enchanting family raise their children in a world that is not?
