

The Time Signature

An old red book. A locked clock tower. And a stranger in the woods. In the corridors of an ancient mansion, Laura Stevens uncovers the secrets of time. But things don't stay secret for long, and a mysterious man is on a mission to stop her.

Laura needs friends to help her bend time, but who can she trust? John is a known thief and troublemaker. Alan sneaks out on secret walks. And Michael, the new kid, knows more than he ever says. Laura has one chance to change her damaged past, but trusting those three boys means risking her future.
