

Ty Tally T Goes to School (Volume 1)

Ty Tally T is an adventurous boy who finds fun in the most ordinary of activities.

In Ty Tally T Goes to School, Ty is on his way to school when he spots a shiny jewel on the sidewalk. When Ty touches it he shrinks down to a very tiny size. Tiny Ty goes for a ride on a bee, narrowly misses getting stomped on by a giant foot and almost gets swept down a storm drain. Will Ty be stuck tiny forever? Will he make it to school in time? Read this fun, rhyming adventure to find out! EXCERPT There once was a boy named Ty Tally T. He always had fun adventures as you will see. One day as Ty was walking to school, he saw on the sidewalk a big, shiny jewel. He picked it up and much to his surprise, he suddenly shrunk down to a teeny tiny size! Ty was now very small and all around he did see everything was so much bigger than the now tiny Ty Tally T. The blades of grass were very, very tall compared to Ty who was now very, very small. ... Appropriate for ages 3 and up.
