

David y Jacko: Los Tuneles Zombis (Spanish Edition)

SPANISH EDITION David y Jacko investigan los escalofriantes ruidos que los mantienen despiertos durante la noche y, sorprendentemente, descubren una compleja red de tuneles que desemboca directamente en su dormitorio. Cuando el perro de su vecino llega a un tragico final y el mejor amigo de David desaparece, se hace evidente que los niños del barrio no son los únicos que les gusta salir a explorar luego de que las luces se apagan. David and Jacko investigate spine-chilling noises keeping them up at night and stumble on an elaborate network of tunnels that lead straight to their bedroom. It is only when the neighbours dog meets a grizzly end and Davids best friend goes missing that it becomes apparent that the neighbourhoods children are not the only ones that like to explore after the lights go out. Suitable for ages 8 and up.
