

Martha Speaks: Campfire Stories (Chapter Book)

Nothing turns a backyard camp-out from yawn to Yowza! like a few scary stories. When their repertoire of shadow puppets is exhausted, Martha (the talking dog from PBS's hit TV show Martha Speaks) and her friends decide to share some science-fiction stories the creepier the better! Martha tells one about aliens from Venus who eat frozen yogurt with their ears, T.D. scares everyone with malevolent alien cat people, Helen tells The Telltale Artichoke Heart about a disturbing tin can (THUMP. THUMP. THUMP), and Alice tells Night of the Phantom Scarecrow. A few Campfire Story Starters will have aspiring storytellers off and running!
