

## Four Week Filth Fest

Grade Level: 3 - 6 Can Andy Baker survive the stink? Andy Baker's wandering days are over. An unbelievable schoolyard challenge shocks everyone and pushes the quiet fourth grader into four weeks of mud, muck and malodorous adventures. But it won't be easy. Andy's mom is mortified, and at every turn, his nemesis is trying to clean up his act. Andy will learn a secret and get a helping hand from an unlikely place. But is it enough to deliver a smelly success? Andy's final, fateful decision will make a big splash at camp, teach him something about friendship and himself, and provide an ending to the Four Week Filth Fest that will surprise everyone. The Four Week Filth Fest is the fast-moving story of a quiet fourth grader's quest to be true to himself in the midst of a raucous and hilarious challenge. Kids will relate to Andy's first-person narrative and dream about being a part of the Filth Fest challenge themselves.
