A cat series cartoon book with animal adventures. Oliver is an elegant tuxedo cat, who is full of himself. As a matter of fact he says: I love myself!, quite often. Naughty, isn't he? But his best friend Jumpy, a kangaroo lady, is aware that he has a soft heart and will always want to help others. The great thing is Jumpy's pouch, which Oliver loves to ride in! He calls her his kangaroo taxi! These little bedtime stories with their lovely illustrations are great for small kids. A parent can read the text and tell the child in his own words. These animal stories have sufficient text to keep early readers happy and provide some educational value. Love you all! Meow! Story 43: Flying Carpet Our friends rescue a princess and bring her to the groom. Story 44: Birthday Party Oliver has a birthday party. He is shy about his age. Story 45: Magic Berries Joey eats all the wrong berries and his body changes awfully.
