

## Transformation : The Next Step To The No-Limit Person

The worlds foremost producer of personal development and motivational audio programs now gives you an expanded edition of Wayne Dyers classic guide to self-discovery. In Transformation, the bestselling author of Youll See It When You Believe It will teach you how to use the powerful connection between thoughts and reality to break from the roles that control your life, and become what you were truly meant to be. With Wayne Dyer, its not a New Age mystery, but a clear path from negative to positive thinking. By following his seven principles for personal transformation, you will learn to: Use thoughts to see and feel the positive in all situations Let go of power struggles and give without expectations Realize a way of enlightenment through being and believing Tap into the powerful energy of synchronicity and the new way of networking With Transformation, you can become your own power source. It begins with a thought... and opens up into the whole universe!
