

Double Happiness

For their move far away, Gracie and Jake are sad to leave the golden bridge, the trolley tracks, and Nai Nai. But they fill empty boxes with treasures: a marble, a snake, a pair of wings. Tiny reminders of all they love so happiness stays close, no matter where they go. With grace and warmth, this lyrical picture book speaks to the difficulty of transition, and celebrates the ways in which love and family give us the strength to weather life's changes. Plus, this is a fixed-format version of the book, which looks nearly identical to the print version.
