And Winner of the 2013 National Beverly Hills Book Award! Author Peggy Krause writes her childrens series to be funny and fast-paced for the children while also including messages of kindness to animals throughout the stories for animal-loving parents who want to instill this important value in their children. Wild Beau and Her Kittens is the third book in Author Peggy Krause The Kitty Tales Trilogy for 7 to 11 year old boys and girls. Poor Beau is a scruffy, hungry cat living in the forest preserve trying to take care of her two tiny kittens all on her own. Its very challenging being a cat without an owner or a warm, dry house to live in. The cat friends, Soupy, Lila, Lola, Puff Puff, and Spider Man stumble across Beau one day while on a trip to the forest preserve to find Soupys foster raccoon-son, Ferdinand. Seeing how thin and battered Beau is from living outside, the cats make it their project to help Beau and her kittens in every way they can.
