

Super Star (Steck-Vaughn Science Fiction Collection)

LisandrA and NinandrA - Aliens, who are also teenage twin sisters, have gotten hold of a replicator. Now they will time/space travel to earth to collect a living exact replication of their favorite Earthling rock star. Bizarre, fun adventure for the reluctant reader who is late elementary, middle school or Jr High age. This is High Interest Reading for pre-teen and early teen who has limited literacy skills.
