

Magic Molly Book 2 Gloop

Molly Miggins has been given a task by the Magic Council. The task? To rescue her parents from the mysterious, void where they were sent after a disappearing trick went terribly wrong.. In book one Magic Molly, The Mirror Maze, Molly managed to outwit a crafty wizard and rescue her father. Now the race is on to find her mother who has been captured and taken to another part of the void by the green, slimy, jellified ghost, Gloop. Molly is assisted in her quest by the wacky Granny Whitewand, the old witch who cant even remember Mollys name. Aunt Matilda, who loves boy bands and keeps a secret pet in her handbag, and Wonky, the ancient, damaged wand that she finds so difficult to control. Then of course, theres Henrietta Havelots, the richest girl in town who is determined to thwart Molly at every turn. Follow Mollys adventures as she tries to find a way back into the void and rescue her mother from the clutches of Gloop, the jelly ghost who loves to tell his captives scary ghost stories before bedtime.
