

The Mini Rubber Polar Bear Kit: Chill Out! (Mega Mini Kits)

Chill out! Look whos making a splash now! First duckies, then penguins, now polar bears, oh my! With the melting ice caps and go-green global awareness, polar bears are being pushed out of their habitat and into the limelight. Make your own home for the two irresistible ice bears in this kit and find out fun facts about them in the 32-page book. Theyre known to be fastidious about keeping clean, so what better bath-time model can one ask for? With these buddies, keeping clean has never been so cool!
