

Aphorisms of The Lightbearer

Eugene Fersen is the founder of Science of Being and taught over 20,000 students in his lifetime. He is the original New Age leader, bringing his profound wisdom to enlighten the mind of man. He is the Lightbearer to humanity! This book similar in concept to the Tao Te Ching by Chinese master Lao-tzu, filled with deep insights and very practical short teachings that will change your life for the better. Over 500 short aphorisms taken directly from his teachings will bring a new light of understanding to who you are and why you are here and how you can improve your life. It is time to have total connection with your Soul and this book will help build that bridge.
