

Gerties Leap to Greatness

For fans of *Three Times Lucky* and *The Penderwicks*, this endearing new classic spins together sparkling humor, sizzle-pop writing, and a sassy main character with an unforgettable voice. Gertie Reece Foy is 100% Not-From-Concentrate awesome. She has a daddy who works on an oil rig, a great-aunt who always finds the lowest prices at the Piggly Wiggly, and two loyal best friends. So when her absent mother decides to move away from their small town, Gertie sets out on her greatest mission yet: becoming the best fifth grader in the universe to show her mother exactly what she'll be leaving behind. There's just one problem: Seat-stealing new girl Mary Sue Spivey wants to be the best fifth grader, too. And there is simply not enough room at the top for the two of them. From debut author Kate Beasley comes a classic tale of hope and homecoming that will empty your heart, then fill it back up again--one laugh at a time.
