

TWILIGHT (Warriors: The New Prophecy, Book 5)

In the exciting second Warriors story arc, the wild cats of the forest have lived in peace and harmony for many moons but new prophecies from their warrior ancestors speak of a mysterious destiny and grave danger for the clans. The penultimate title in this thrilling feline fantasy adventure. Before there is peace, blood will spill. New territory brings new troubles for the fierce cats of the warrior Clans, who are still uncovering the secrets of their new home around the lake. Dangers they have never faced before are lurking in the twilight shadows, and former allies are acting strangely hostile. As divisions between the Clans grow deeper, Firestar's daughters face troubling decisions. One is torn between loyalty to her calling and a forbidden love, while the other struggles with her best friend's betrayal and the surprising perils of the forest. The choices they make now could affect ThunderClan for generations to come . . . and with an unexpected enemy preparing to attack, their courage and strength will be needed more than ever if the Clan is to survive.
