

The Candymakers

Four children have been chosen to compete in a national competition to find the tastiest confection in the country. Who will invent a candy more delicious than the Oozing Crunchorama or the Neon Lightning Chew? Logan, the Candymakers son, who can detect the color of chocolate by touch alone? Miles, the boy who is allergic to merry-go-rounds and the color pink? Daisy, the cheerful girl who can lift a fifty-pound lump of taffy like its a feather? Or Philip, the suit-and-tie wearing boy whos always scribbling in a secret notebook? This sweet, charming, and cleverly crafted story, told from each contestants perspective, is filled with mystery, friendship, and juicy revelations.
